

INFINITY 101

POOL & BAR

Have a sip and take a dip 101 feet above the Potomac River.

Why 101? The cascading edge of the pool dangles exactly 101 feet above the Potomac River edge.

Sit back, relax, and take in the view as the river winds its way through the valley towards DC and the Chesapeake. Let us know if there is any way we can make you more comfortable.

Cheers and we hope you enjoy your day in the sun!

Available 12:00 p.m. until 8:00 p.m.
